## Children Ministry's Growth Spurt

LifeJourney's Children's Ministry is growing! While experiencing this growth spurt, they have developed some innovative projects including: live worship, storytelling, and dedicated mentors for our children. Thankfully, some of their existing volunteers have stepped into these specialized roles, making room for a few more people to join the team.

Pastor Chris would love for you to consider being part of this exciting time in the life of our church and children! If you are interested in being an activity leader, greeter/concierge, or other roles that could be explored individually, please complete the response form and he will be in touch with you this week.

## CUSEN Fall Network Gathering

LifeJourney Church is part of a denomination called Metropolitan Community Churches (MCC). Within the denomination are networks of regional churches. Our own, Pastor David Zier, is the Network Coordinator of our region's network, Central United States Eastern Network (CUSEN).

LifeJourney will be hosting the CUSEN fall network gathering, October 19 - 20. This will be an extra special gathering as MCC is celebrating 50 years on a mission to "Transform ourselves as we transform the world." Think of all that has happened and how the world has changed over 50 years—and we could still benefit from more transforming, including ourselves!

So let's come together and remind ourselves that we are all God's people—equally valued and loved. ALL OF US!

For the CUSEN network this means continuing to love and support each other while building the future. This year's gathering will be a reminder what it means to be a diverse community in 2018 for all people. There will also be conversation about generosity and how a follower of Jesus can live in a generous way—How does our heart truly follow where we put our treasure? Time will also be set aside to talk about what is happening in MCC at the denominational level. This will be a wonderful opportunity to listen and share.

The cost for the entire weekend event is only \$35 and includes three meals. (Friday only, \$10; Saturday only, \$25)

If you would like more information on this event, complete the response form in today's bulletin. Additional information is also available at the Welcome Center.

This program is open to the community and will feature Dr. Sunjay Gupta, Medical Director and Professor of Medicine at Indiana University. Learn about the latest research and continue the important dialogue surrounding AIDS and infectious diseases.

# SAVE THE DATE

## Sat. 10.27.18

### Trunk-or-Treat & Fall Family Festival

### New *Family Oasis* Begins in October!

LifeJourney Church will be launching a new Oasis group with a focus on families! October 10 will be the first session and we welcome anyone with children or teens in the home to join us every Wednesday from 6:30 - 7:30 in Room 6.

Each week of the month, Family Oasis will focus on something different to provide a variety of ways for families to engage:

- **First Wednesdays**, they will partner with SAFY, a local foster care agency, to provide a parent support group that offers emotional support and training for any parent—not just foster families.
- **Second Wednesdays**, a therapist will join the group and help them to process the struggle and responsibility of being a parent.
- **Third Wednesdays**, they will have a pot luck meal with the entire family present for fellowship and a short discussion.
- **Fourth Wednesdays**, is a discussion topic, picked by the group, older children and teens are welcome to participate in the conversation.

Anytime there is a 5th Wednesday in the month, the Oasis will take that week off for family time at home.

Childcare will be provided with the exception of the 3rd Wednesday when the Family Oasis fellowships together.

If you are interested in being part of the Family Oasis, or if you have questions, please complete the response form and Chris Edwards, our Minister of Family Life, will be in touch.

### Benefit Concert at LifeJourney!

LifeJourney will be hosting a Community Benefit Concert on Saturday, October 6 at 5:00 pm. Our Worship Arts Minister, Jason Powell, is pulling the concert together by tapping into his network of vocalists and musicians from across Indy. In addition to Pastor Jason, the concert will feature Candice Richey, Rodnie Bryant, and our own Joel Ogburn, along with other special guests and a Community Choir. The Community Choir will include folks from our LifeJourney choir, plus volunteers from beyond our church walls.

Admission to the concert is free, but an offering will be taken. Net proceeds from the concert will help fund desperately needed renovations at the Dayspring Center for Homeless Families. LifeJourney's own WonderWorkers Team will do the renovations this fall!

If you love spiritual music, and you have a heart to help the homeless, don't miss this extraordinary concert! If you want to invite a friend, pick up a copy of the Concert flier at the Welcome Desk.

### Clarifying Our Service Dog Policy

At LifeJourney, we want everyone to be able to participate. As part of that commitment, we welcome service dogs who are trained and perform tasks for persons with disabilities.

We also allow emotional support dogs if a medical or mental health professional has specifically determined they assist with a diagnosed disability.\* Emotional support dogs and service dogs must both comply with the following ADA requirements:

- They should be tethered or leashed at all times, unless these devices interfere with the service dog's work.
- They should not bark or behave in a distracting manner.
- They should not be on the furniture out of respect for those with allergies.
- They should be thoroughly housebroken and never piddle inside.

**\* Before bringing an emotional support dog, we ask that you please register your dog with the church office in advance. Just send an email to [Info@LifeJourney.church](mailto:Info@LifeJourney.church) and we'll send you the registration form. No need to pre-register a service dog.**

We love pets of every description at LifeJourney, but they should not be brought to church gatherings unless they are officially-designated emotional support or service dogs. Exceptions may be made for outdoor events, like the church picnic. Thank you for helping us make LifeJourney a welcoming place for everyone!
