

## LifeJourney Church

### Minister of Family Life – Position Description

LifeJourney is a dynamic, thriving congregation located in Indianapolis, Indiana. We are passionate about following Jesus, serious about the Bible, theologically open-minded, and genuinely diverse. In fact, we are one of the most diverse congregations in the Indianapolis metropolitan area. Our mission is to follow the teachings of Jesus by developing disciples, doing justice, and helping those in need. We are a teaching church that challenges congregants to a high level of participation. For more information, see [www.LifeJourney.church](http://www.LifeJourney.church).

We already have a solid children and youth ministry and an awesome children's classroom area (see photos below). Now we're looking for a passionate, visionary Minister of Family Life to take it to the next level!

### Our Vision for Family Ministry

Our goal is to offer a comprehensive program of spiritual development that carries our children from infancy to young adulthood, equipping them to live as devoted followers of Jesus who are filled with love for God, others, and themselves. To achieve this goal, we will offer our children high-impact instruction in the teachings of Jesus and the Scriptures, exciting service opportunities, leadership development, and lots of fun and friendship. We will help our parents connect with each other for fellowship, friendship, spiritual growth, and peer learning – and support them with opportunities to enhance their parenting skills and their ability to be great spiritual mentors for their children.
